*Early Music* **REVIEW**

**5.0**

„The composer cannot take all the credit, though; this is a team effort, and Válek and his excellent musicians are perfect advocates of their compatriot’s output; the soloists are taken from the tutti group, and throughout the singing is first rate with nicely articulated lines and neat ornamentation.“

*12. 2. 2018, Brian Clark, Early Music Review*

„Roman Válek conducts the Czech Ensemble Baroque Choir and Orchestra and they make a splendid sound. It’s a hugely enjoyable reminder of an undersung European composer.“
